

How long can a child loan a Wizzybug for?

Through the Wizzybug loan scheme, a child can have a Wizzybug for as long as it is suitable (this is usually until they outgrow it). Our Occupational Therapists keep in close contact with Wizzybug families and are always available to give individual advice. When the loan has been completed, Wizzybug is returned to us so that we can refurbish it for another child.

Where can Wizzybug be used?

Wizzybug is an electrically powered wheelchair for indoor and outdoor use, with adult supervision. Children can use Wizzybugs at home, nursery, school, and in outdoor spaces such as parks, gardens and playgrounds. Wizzybug can be used every day or just occasionally, but is not intended to be used all day, every day.

What happens at a Wizzybug appointment?

Please see this video that explains what may happen at a Wizzybug appointment

<https://www.youtube.com/watch?v=U743NHfj2DM>

We expect appointments to be between 1.5 and 2 hrs.

What is the waiting time for a Wizzybug?

Unfortunately we cannot provide a specific waiting time but we advise you to return your application form as quickly as possible. Once the application is approved by our Occupational Therapy Team, we will contact you as soon as possible to arrange a convenient appointment.

Can we travel with Wizzybug?

Yes, you can take Wizzybug in a car, on public transport or even on a plane. However, you should never let your child sit in Wizzybug whilst travelling. Wizzybug can be easily taken apart if needed. For further information please see our [resources for families page](#)
